Spaghetti Dinner

- Facility: Zurich Arena
- Tentative Date: June 2nd (Feast Day of St. Boniface)
- Spaghetti, caesar salad, buns, desert

New Business

- Tech in the classroom
 - Question: Is there a framework for technology in the classroom?
 - Blended Learning in place prior to pandemic
 - Important 21st century skills
 - Parents seeking information about use and expectations
 -
- **Screen Time** - discussion was held on how much time students should/do spend on chromebooks, etc. Technology really productive in the classroom - huge shift in student engagement, also the way information is shared with students quickly. Technology levels the playing field for all learners
- Perhaps info could be shared with parents to keep them “in the know” Possibly through a “parent night”
- Is there some type of typing instruction in the curriculum

Soccer/Land improvements

- Is the yard in good shape?
- Soccer nets need to be “refreshed”
